

## Max Loughmiller

April 13, 2026

In Loving Memory of Max

[L  
:SEP] December 2014 – April 13, 2026

Max, our beloved dog and constant companion, passed away on April 13, 2026, leaving behind a home that will never feel quite the same. From the moment he joined our family in December of 2014, Max filled our lives with unconditional love, loyalty, and joy.

He was the sweetest and smartest dog, with a gentle spirit and a watchful heart. Max took great pride in protecting his family, especially his human brother and sister, always keeping a careful eye on those he loved most. His devotion was unwavering, and his presence brought comfort and security to our home every single day.

Max found joy in the simple things like a car ride with the windows down, curling up beside us to watch a show, and yes, occasionally barking at any animal that dared to appear on the screen. Those little moments are now some of our most treasured memories.

He was more than a pet, he was family, a loyal friend, and a constant source of love. The loss we feel is immeasurable, and the space he leaves behind cannot be filled.

We will miss his sweet face, his protective nature, and the way he made every day better just by being in it.

Max will forever be in our hearts.
