

Millie Hernandez

April 20, 2022 - October 21, 2024

Millie came into my life as a 2 month old puppy on June 23. 2022 so tiny, adorable & fragile. I gave her so many nicknames like babygirl , Mamas & Mosa, short for hermosa in Spanish. Her eyes was the most beautiful thing to me she always had glazing eyes when she would stare at me. Such a crazy small one but so mighty and loving , protecting at the same time. I will say she was a mommy's girl she never left me alone she always wanted to sleep by my side at nights. She would manage her way and jump on the bed before I knew it. Her sniffing at my door and whining to get inside is what I will forever remember from now on. Babygirl loved her bacon treats which was pretty much the only time she would sit so fast without telling her to sit. Her little toys she loved toys loved loved loved her small white sheep and the yellow ducky one was her all time favorite. She took her water intake so serious she loved water. I'm talking about she would drink her water before she ate her food. My silly baby this is not a goodbye but until we met again☐. Oct 21. 2024🐾
