REMEMBERING Mr. Wilson

Mr. Wilson is a Sphynx born 12/22/2011. Originally from Colorado but I had him brought to Texas for me. He was the best friend and cat I could of ever dreamed of having, my first pet. Everyone he met fell in love with him. Even if they didn't like cats. I remember I could hold him in the palm of my hand when I first got him. He was the best thing to happen to me. No matter what he was always there for me. A couple things he liked was being held and cuddled. Mr Wilson loved being under the covers with you in bed. Especially clothes fresh out of the dryer. Snacks. His grandma loved spoiling him with them... I'll always cherish the time and memories we had together. Love you always Mr. Wilson. I hope I'll see you again. May you rest in peace.
