

## Nala Vazquez

December 31, 2015 - March 24, 2026

On March 24th, 2026 we said goodbye to our beloved Nala, who was 10 years old. Nala was born on December 31st, 2015 and entered our lives on February 11th, 2016. Nala taught us what it meant to be loved unconditionally. Nala became a member of our family and we will cherish our memories with her forever.

Nala was chosen from a litter of puppies that someone had on the side of the highway in the bed of their truck. Nala was a half lab and half pitbull mix. She was sweet, energetic, and loving. Nala enjoyed having her head out of the window on car rides. She loved to enjoy a pup cup from anywhere. She also loved going on car rides to visit her Aunt Teresa. Nala always made sure her toys never lasted longer than a day or two. Nala loved sun bathing and going on walks with her Memaw.

Our Nala was smart too, she had a few tricks down and loved to show them off for a treat. She was a good dog that hardly barked and only yelled when her treats were not given to her fast enough. Nala was also a neighborhood dog, some of our neighbors would greet Nala with treats. She would be joined with her dog friends, Big Girl and Max. Nala became an Aunt to Oakley, they became good pals when she felt like tolerating him.

We knew Nala was getting older but we never prepared for the heartbreak that

came with her passing. We will miss our Nala dearly, she was so loved by so many and was so special to us.

We love you forever Nala
