### REMEMBERING Nibbles and Ringo Star

Nibbles was my heart for 16 long wonderful years. He never left my side, he knew how to make me smile and was my cuddle buddy every night of his life. Nibbles fathered many, many puppies. Ringo Star was one of his grand puppies. When it was time for my Nibbles to walk the Rainbow Bridge it was Ringo who helped dry my tears. Ringo Star Flufferpuff was his whole name, he made me laugh out loud with his silliness. I would go to the grocery store and when I would come in he would look up at me and bark and bark as if I was a teenager coming in after curfew. He would jump into my arms and immediately flip over on his back for his belly rub. He was taken from us way too soon and will never be replaced for he was one of a kind. Nibbles and Ringo sit together now on our mantle quietly resting together. I cannot wait to see them on the other side of the Rainbow Bridge.
