

Obi Wan Kenobi Alvarez

March 17, 2006 - July 3, 2025

Obi Wan Kenobi Alvarez loved walks, cuddles, and mealtime—and he spent 19 wonderful years doing just that, always by his mom’s side. He joined the Alvarez family as a tiny puppy in 2006 and made a memorable entrance by immediately falling into the pool.

A true adventurer at heart, Obi survived being bitten by a copperhead, eating a poisonous frog, and even jumping out of a moving car. He had a habit of running away—always returning on his own time.

Obi lived his senior years in Dallas with his mom, enjoying city life as a loyal companion. He was there when she met her husband and last fall when she brought home her first baby and his baby sister.

Obi lived a full, beautiful life. He reminded everyone around him to be adventurous and headstrong, live with heart, and to never turn down a drive through meal.
