Otto Salinas

September 15, 2009 - December 6, 2023

Our sweet Otto was 14 yrs old and had a wonderful life. We rescued him as a 2-3 week old kitten.

He was always playful and loved to cuddle.

He followed us everywhere.

Otto slept by my side or at the end of our bed. Every morning Otto would wake me up with his paw on my face, then bite my fingers until I would feed him. He loved to run and play with me and the other cats. We will always love you and miss you so much, Otto. Rest in peace little buddy.
