

Peanut Brewer

May 5, 2010 - September 2, 2025

This is a brief summary of my Peanut and his happy life. He was a one person cat, meaning he NEVER let anyone near him NEVER 🙄 he had to be medicated to see the vet. He was known as "the evil cat" We did our move to Texas in August 2012 and he didn't mind that long drive and we did it straight through! 23.5 hours!

In this top picture, who'd of thought he would be gone in a year 🐱 🐱. He was never sick or hurt his whole life and I was hating that I had to make the final call for him. I know he knew I was struggling with the decision, eased my mind the last 2 days we had together, he stopped eating and was sorta kinda hiding. We had 15 wonderful years together. Please if needed. Would love caption around photos if possible and would like your opinions.

Peanut DOB in Chesapeake Beach Maryland 5/5/2010 and his DOD in Garland Texas 9/2/2025.

appreciate this kind gesture in this hard journey.
