

## Pebbles Dupree

June 20, 2025

I adopted my dog from the Dallas Shelter 8 years ago, When I say her i knew she was the one for me a small tan Chihuahua when i ask to pick her up she was so soft and cuddly I had to have her she was brought in by someone and she was pregnant and they had to terminate her pregnancy she had been through so much from living on the streets she didn't like you holding her much but i loved her, she was shy also stayed to herself but we always played with my grandchildren really loved her too, and my other little dog Dino, so we named her Pebbles and took her home, she had a great life very obedient too don't really know what happened to her but looking on my video ring look like she ate something early in the morning and i saw my neighbor outside also at that time and 30 minutes later she was laying on my sidewalk by my house she didn't deserve to leave like that but KARMA will get the person that did this to a sweet little dog
