REMEMBERING Precious

Precious was our little cutie. We loved her so much. She was our family kitten for almost 17 years. Our life will never be the same without her. She was sweet and loving. She let our children dress her in doll clothes, push her in a stroller and hold her upside down because she liked it. She was the best kitten in the world. Our home is empty without her. We love you to the moon and back Presh! You made us so happy and was always there to comfort us when we were sad and celebrate when we were happy. We miss you terribly and look forward to seeing you again on the other side. We love you sweet Precious!
