

## Princess Cox

March 11, 2024

My Beloved Baby and Family member, It was too soon but know that I have no regrets with the life you lived.

You gave me the best years of your life and will continue to give me the memories that comfort me.

I know you were fighting and on my side while being helpless and tired. You gave me strength and courage to be myself and get up in the mornings. You gave me a reason to live again.

You may be gone but not forgotten.

You'll Forever be in my Heart and Soul.

Till we meet again my sweet Love.

-Forever, your Mommy... I Love you.
