### REMEMBERING Reilly

Our precious Reilly. We had you since you were only 6 weeks old baby girl and you would have been 12 years old on 3/14/21. Thank you for bringing us so much joy to our life and picking us up when we felt down. I'm going to miss all of your snuggles and keeping us company at our shop. Car rides and our daily routines aren't the same anymore without you. We will be celebrating your 12th birthday this year and every year like we always do! We love you SO much Ry Ry!! Fly high and watch over over mommy and daddy and sissy. Love you always- McFarland Family
