

Riley "The Dogfather" Miller

April 1, 2008 - August 24, 2023

Our beloved Riley was a Brussels Griffon/King Charles Cavalier mix born in April 2008 in Iowa Falls, IA. When his retired owner passed away, a foster volunteer brought him out to Oregon, where he was adopted by a lovely family full of children, and lived a happy life on a farm! We used to pet sit him, and when he needed a new home, we happily obliged. He was our easiest and most loved customer! Everybody adored this real live teddy bear and he had many dog and cat friends alike. He was a great traveler and we took him on lots of camping adventures and road trips between Oregon and Texas! His signature move was dancing for his dinner, just like Snoopy. And he had a tendency to sit on things like laps, our other pets, and once the plumber. He had a great sense of humor and thought it was so funny to sneak up and push our big Rottweiler Rex in the pool. He was 15 years old when it was time to leave us, and we will miss him always and forever!! R.I.P. Riley, you are such a good boy and we love you. ♡ - The Miller Family
