

## Roscoe

February 22, 2020

### REMEMBERING Roscoe

Roscoe passed away on Saturday, February 22nd, 2020 after battling a long illness. Roscoe was cremated on February 25th, 2020 at Pet Memories in Rockwall, TX. We will miss traveling with Roscoe and spending time with him snuggling which was always his favorite. We will never forget his love of golden Oreos, he could hear the package open no matter where he was and would come running for his share. Roscoe could always be found wherever his mama was, never leaving her side. Roscoe's life and moments will be cherished by his mama, Diana and daddy, Roland - along with his fur-brother's Simba and Diesel. Roscoe was a devoted, loving companion throughout the eleven years of his life. He traveled the US, seeing the sights, sniffing grass, and peeing on different bushes in new places. Surely he is curled up on a cloud enjoying a warm nap in the sun, naps were his favorite thing. Roscoe touched the hearts of so many people, even people that never got to meet him in person. Thank you to everyone that has shown support and love in this time of mourning. Your show of concern has helped us carry on in this time of grief, and it did not go unnoticed. Thank you very much.
