REMEMBERING Royalty-Anne

Royalty was not only a great dog but a best friend. Thru thick and thin she was always by our side. She loved to travel. She got to see most all the states in America. smelling all the new spots loving every minute. She had the cutest little snaggle tooth smile that would just warm your heart. She was such a good girl her daddy's will always love her and miss her dearly. She will always have a special place in our hearts. Never forgotten, not a memory lost, never goodbye just a see you later! We love you Shuga-booga. Now go eat all the pizza crust you can. Until we see you again our sweet baby. Rest easy baby girl. 11-26-2018
