

## Sadie Mae Richardson

April 6, 2020 - January 4, 2025

Sadie Mae Richardson, born April 6, 2020, left us too soon on January 4, 2025, from canine lymphoma. Sadie was brought to her forever home on May 18, 2020, at just 6 weeks old. She quickly chose her mom as her favorite, with everyone else in the house as a close second. Her favorite things were playing ball, outside time with her human kids, laying in bed and snuggling, jumping in the pool and swimming, and fresh fruit and veggies from moms garden. Sadie knew she was loved beyond measure for her entire 4 years. She didn't like when people walked on HER street, but she did let her family know when someone was at the door before the door bell rang. While she would never hurt a fly, she was loud enough to make you think she was the boss. (Who are we kidding, she was the boss). Sadie was diagnosed with lymphoma on 12/23 and lost her battle on 1/4. Until that point, she still always looked for mom and wanted so badly to go play with her human kids outside.

She is survived by her humans (mom, dad, and 2 kids) and her two cat brothers. She follows her cat sister to the rainbow bridge where they both wait to greet their family.

The Richardson Family would like to thank Turtle Creek Veterinary Medical Center for loving and taking care of our girl from day 1, and helping us through the diagnosis and treatment of her cancer. We would also like to thank Wildflower Mobile Veterinary Services for helping Sadie pass with dignity and

compassion in her own home. Our family appreciates both teams and their role in our girls life.

We will forever miss you, Sadie Mae. You are always in our hearts.

PS

“ *The first time we met Sadie, we were met with a very ferocious deep and throaty bark. I was actually a bit scared! We quickly learned she was just a big ole Teddy Bear that loved belly rubs, ear rubs, butt scratches...she just loved being touched and loved on by her humans. We were heartbroken to hear of her diagnosis and quick decline. Sadie Mae, you will forever live in our hearts. Run free sweet girl! Much love, Grandma & Papa Boo*
