REMEMBERING Sassy (Papichu)

Sassy was a rescue dog I got about 12 years ago, from a client we had that couldn't take care of her anymore. From that day on she was mine to keep. Sassy had a heart of gold and she was the life of our house. She was my husband's alarm clock, she always loved to eat, and boy did she love back scratches and belly rubs. Our home is not the same without her and our dogs defiantly know she's not around anymore. Sassy mom and dad love you and miss you we can't wait to see you on the rainbow bridge. ??
