

Sidney Bartholomew Bridwell-Meyeres

May 1, 2007 - September 30, 2025

May 2007- September 30, 2025

Sidney arrived via stray kitty. We rescued him and his two siblings. He was the sweetest kitty I have ever had.

Always a cuddler, loudest purr, and the biggest food advocate for him and his sister Eileen.

18 years was not long enough. I always hurt to think of life without you and now here I am

Really hurting. You were so loving your last few months and rallied but I know you were tired. He passed in his sleep at home next to his sister. I will miss you and your absence will be felt forever.

I love you my kitty son.
