

## Sir Parker

December 9, 2019

### REMEMBERING Sir Parker

Sir Parker, an Italian Greyhound, born Sunday, November 3, 2002, passed away Monday, December 9, 2019, in Rockwall, Texas. He was preceded in death by his parents Sir Walter and Lady Galina. To Sir Parker, Life was fuller and brighter for the last 17 years because you were with us, Sir Parker. You needed to be with your Granddaddy on Monday, and he needed you. You will live in our hearts forever, as we did in your sweetheart ... gentle souls as yours and your Granddaddy are rare, and you will never be forgotten. You had the most affectionate disposition and were happiest when we returned that affection. You were sensitive, gentle, intelligent and playful. Your Granddaddy loved and cared for you unconditionally and you returned the same to him. Run and play in Heaven together with your Granddaddy, Tex, sweet boy. "The dog is the most faithful of animals and would be much esteemed were it not so common. Our Lord God has made His greatest gifts the commonest" - Martin Luther
