REMEMBERING Serious

Pawprints Left by You You no longer greet me, As I walk through the door.
You're not there to make me smile, To make me laugh anymore. Life seems
quite without you,, You were far more than a pet. You were a family member, a
friend, a loving soul Ill never forget. It will take time to heal- For the silence to
go away. I still listen for you, And miss you every day. You were such a great
companion, Constant, loyal, and true. My heart will always wear the paw
prints left by you. We love you very much till we meet again. Love Danna,
Tramall & Siri
