

## Sisko Keller

May 1, 2015 - December 3, 2024

Sisko was the best boy. He was my first shih tzu. I rescued Sisko from the middle of the road back in early 2019. I was taking my daughter to school and we saw what we thought was a dead skunk! I started to go around but then saw him moving! He'd been hit and his pelvis was broken. I blocked the road and managed to scoop him up and get him to the vet. After a lengthy search and a 'false positive' we ended up not finding his people. It took Sisko a short bit to trust but once he did he was just so awesome. I named Sisko after Captain Sisko from Star Trek Deep Space 9 - one of my favorite captains. Sisko had a green blanket he loved and a little raccoon he took everywhere. He liked to sleep with his new brother Gizmo or next to his momma. Such a sweet boy. I love you little buddy and I'll see you on the other side.
