

Sookie Rankin-Preddy

July 5, 2022 - February 11, 2025

Sookie was the beloved cat of Tammy Rankin and Cadence Preddy. We fell in love with her in September of 2022. She was so gentle and had a way connecting that was healing. We enjoyed and we were honored by her presence in our lives until February 11th 2025 when she was tragically taken from us. She was an adventurous cat, and 3 years old. She knew she was loved, no doubt. We honor her memory everyday and the joy she brought to us. She loved to talk, chatter and greet us with her special kind of love. She held my hand and slept on by my head since day one. She loved the outdoors and enjoyed a freedom that most cats never got to experience. She knew where her home was and loved her dinnertime. She was very structured and well taken care of. We will never forget her beauty and striking soul. Until we meet again.

Love your momma, Tammy and sister, Cady.
