

## Spitfire McCollum-Shelton

March 1, 2016 - March 22, 2025

Spitfire "Spee Spee" 03/22/2025

Spitfire passed away from cancer at the age of 9. She was rescued as a small kitten, and saw her owner, Brooke, as her mom. They spent everyday together, and she was very loved.

Spitfire loved sitting in her cat tree and looking out the window, rolling on the carpet, and screaming any chance she could. She had the biggest, prettiest eyes, and the softest fur.

She was a very sweet and loving cat, always purring and happy to meet anyone. The vet office loved to see her.

She will be incredibly missed. Her absence has left a hole in her mom's heart, her family, her fur family, as well as those who knew her.
