

Taco Vu

May 29, 2025

With heavy hearts, we say goodbye to our beloved chihuahua, Taco, who passed away peacefully in 2025 at the age of 16.

Small in size but enormous in spirit, Taco was more than a pet—he was a constant, comforting presence in our lives. Known affectionately as our favorite grumpy old man, he was smart, alert, and always one step ahead of whatever was going on in the house. Even in his later years, Taco continued to surprise us by learning new tricks and staying sharp, reminding us that age is just a number.

He was happiest riding in the car while watching through the windows, soaking up the sun, visiting grandma's house, or sneaking a solo adventure into the front yard. He watched over the family with quiet loyalty and watched as all the kids grew up and graduated, offering them unconditional love every step of the way.

Taco was truly one of a kind—independent, clever, and full of character.

Though he has left paw prints on our hearts and an emptiness in our home, we will forever carry his memory with love and gratitude.

Rest easy, sweet Taco. Thank you for everything
