

## Tootermae

March 5, 2016

### REMEMBERING Tootermae

Tootermae, was our friend, companion and the love of our life. She brought us so much joy and laughter for the 13 years she was with us. No matter how much pain she was in, she just kept on going being her playful self. She was a fighter to the very end. There will never be a day that she won't be missed. We love you baby girl...
