REMEMBERING Weenie (Halloween)

We were blessed 17 years ago when mama kitty brought her 4 sweet babies to us. Weenie then lovingly owned us for the next 17 years and entertained us with her sweet, calm nature, helped us read morning emails, lent a helping "paw" for my DIY projects, happy to "chew" out coupons. watched TV with Daddy Tom, loved her kitty siblings and most of all loved snuggling day or night with her human Mama. We love you Weenie; miss you terribly but find comfort knowing you are now snuggling with the Angels.
