In Loving Memory of Winston

May 2017 – April 2026

Winston, a loyal companion, gentle soul, and deeply loved member of the family, passed away on the morning of April 10, 2026, just one month shy of his 9th birthday.

From the moment he came into our lives in July 2017, Winston brought a quiet kind of joy that only a truly special dog can give. He found happiness in the simple things—time with the grandchildren, snowy days, neighborhood walks, and cool late nights spent relaxing on the patio. That was Winston: present, content, and full of heart.

He was more than a pet—he was family. Winston was also the very best “manny,” a constant and watchful presence who cared for the grandchildren with a gentle protectiveness and patience that can’t be taught. He had a way of being exactly what was needed—playful in moments of joy, calm in moments of comfort, and always nearby, quietly watching over his pack.

Through every season of life, Winston gave comfort without words, loyalty without question, and love without condition. Whether in life’s big moments or its quiet routines, he was always right where he belonged.

In his final months, Winston faced health challenges with the same quiet strength that defined his life. Even as his body grew tired, his presence remained steady, and his bond with those who loved him never wavered—not even in his final moments.

Winston leaves behind a home that feels a little quieter, but hearts that are forever fuller because of him. His memory will live on in snowy days, in familiar places, and in all the small moments that now carry his imprint. He will be deeply missed and forever loved.
