REMEMBERING Zeus

Prince Zeus Alger (Pooh, pooter, Zooter pooter) lost his battle with lymphoma Sunday afternoon at 4:30pm surrounded by his loving family. He is survived by 1 fur brother and 2 two legged brothers, 1 fur sister and his mommy and daddy. Zeus was 4 years old and was a rescue. He sold his soul for a bag of Doritos and how could he know that he would never have to sleep outside again? He took a leap of faith in trusting us to love him forever and he took his last breath with all of us at his side. We changed his life and he changed ours. You will forever be missed, pooh. We love you.
