REMEMBERING Ziggy

Ziggy was a lil guy with a lot of character! Ziggy loved everyone and he could make anyone love him. Ziggy was a singing partner, a dancing partner, he was a companion, he was a best friend. Ziggy was so affectionate and loving he never left a tear go unlicked or a lay go uncuddled, he would come when you cried and stay by your side. Ziggy was proof that big things come in small packages and he will never ever be forgotten. We love you Ziggy.
